Part two: A) Read the following passage then choose the best answer to the questions below: (2) points each								
Al Huda school is a very special school. It is in Sana'a and it does important work. It teaches girls who are deaf. These girls need help from teachers who have special training because (they) teach girls who can't hear. These girls learn how to understand what people say by watching their lips-move. They also learn sign-language. This school has special learning equipment and lots of books. When they leave the school, they will go to university.
