<p>Seattle is a city by the sea. There are lots of boats in Seattle. Some of the boats are fishing boats. Some boats go to faraway places. Some boats go to the San Juan Islands nearby. Anthony Brewer lived in Seattle. He was 16 years old, and he wanted to go away. One morning, he went down to the boats. He couldn't buy a ticket for the San Juan Islands. Then he saw a sign on a boat. (It) said San Juan. There were large boxes on the boat. Anthony got in to a box and close it. Soon the boat started to move. Anthony was happy in the box. He slept for two hours. Later he looked out and saw only the sea all around. Anthony didn't know what to do. He had no warm clothes, no food and nothing to drink. Next morning, people opened the box. They saw Anthony and called his parents on the radio. Ten days later Anthony was in Mexico.</p>
